Endowment Gifts
Secure the Future Brick by Brick

Ronald McDonald House Charities® New Mexico

Ronald McDonald House Charities of New Mexico opened its doors in 1982 and since then has been providing a home away from home for families with ill children.

To ensure that the programs of Ronald McDonald House Charities of New Mexico are available to fulfill future needs, the Board of Directors has established the **Securing the Future Brick by Brick** endowment campaign. When a gift is made to the endowment, the principal is invested for the purpose of producing future income, which will support the House and other outreach programs of the organization.

Leave a lasting memento on a personalized brick in the courtyard at the Ronald McDonald House.

Bricks are 4 x 8 and allow up to 3 lines of engraving at 12 characters per line - $100

Bricks that include a logo or design - $150
