- **Why postpone until next year?**
We want to give our Girls Night Out an incredible experience. Girls Night Out has created such an incredible community of New Mexico women and businesses, and it is our belief that the changes required to make this event happen, in the times of COVID-19, would take away from the magic we've worked so hard to create. The loss of this experience saddens us, but we know this decision is the best way to keep our supporters, participants and volunteers safe and well.
