Adopt A Room

\$2,500 annually

sponsors the use of one of our **50** guest rooms

The Adopt A Room program allows you, your company, or organization to be the sponsor of one of the 50 guest rooms in the Yale and Highlands Ronald McDonald Houses. Your gift helps offset the cost to operate a guest room throughout the year, and provides families with much more than just a roof over their heads. You are helping provide support, home-cooked meals, and relief from their stressful situations.

Why do families stay at a Ronald McDonald House?

Children whose families stay at Ronald McDonald Houses tend to be the sickest, have traveled the furthest distances for care, and spend the longest time in the hospital. The Houses allow families to access the best medical care for their child, and being nearby helps children heal and cope better.

Adopt A Room

The Impact of Our Program

Every year, more than 1,000 families find themselves at our front door because they are seeking lodging while their children receive top-notch healthcare in an Albuquerque-area hospital. RMHC-NM's mission is to keep families close by providing comfort, care, and a "home-away-from-home" for these families. We offer a safe haven and home-like atmosphere so families can focus on what matters most, their critically ill children.

The Adopt A Room Program ensures that the bedrooms at the Ronald McDonald Houses are beautifully kept, operated and maintained for families who need a comfortable place to stay while their child is receiving medical treatment.
