REMOTE VOLUNTEER PROJECTS

Crochet or sew hats for our NICU babies

These are always in demand for babies in the NICU and proven to help maintain body temperature and keep the little ones warm.

Make no-sew/tie blankets

A cozy blanket can make anyone feel better, regardless of age. We welcome all sizes.

Host a gift card drive within your community

Gather a group of friends and collect gift cards. These gift cards can be from Target, Walmart, Amazon, or a local restaurant. All gift cards will be used for meals, cleaning supplies, paper products, or given to families needing assistance.

Make wearable masks

During this time, reusable masks are essential. These can be made for kids or adults. Be sure to wash items before donating!

Organize a baby supply drive

You can help the little ones by collecting basic essentials, like diapers, toiletries, and onesies for newborns size preemie to full-term. For a list of priority items, call Maria at 505-515-3039.

Assemble toiletry kits

When guests check in to the House, they receive a toiletry kit in their room. If you have travel-sized toiletries on hand, consider making a kit for families. Call Maria for more information at 505-515-3039.

Provide items for a family fun night

Drop off microwave popcorn, pre-packaged healthy snacks, a family friendly DVD movie or board game for our guests to enjoy during their stay.

Provide dinner for our families

Would you like to provide dinner for the families we serve? Visit rmhc-nm.org for opportunities to Sponsor A Meal for families staying at the Ronald McDonald House.

Donate activity kits

Activity Kits for children and adults alike are always appreciated. Including:

1. Coloring books
2. Craft kits
3. Puzzles
4. Crosswords or word searches
